

“Empowering Digital Literacy in a Transforming World: DIGILIT”

29th-31th, January, 2019 – Berlin (Germany)

Erasmus+: 2014-2020

Erasmus+

A.M.E.F.E

asociación malagueña de
educación y formación europea

Erasmus+. Who are you...?

A.M.E.F.E. is a private and educational institution in Málaga - Spain

Represents a wide educational sector in Spain

Has branches all over the Autonomous Communities via teaching centres within regulated and non-regulated sectors.

Erasmus+. Location: Europe - Spain

asociación malagueña de
educación y formación europea

Erasmus+. Location: Andalusia - Málaga

Erasmus+. What do we try to reach...?

One of the main objectives is to put a reach of the member companies all the advantages of the association and thus:

- To coordinate and unite forces in an attempt to face common problems
- To encourage private initiative
- To develop educational and international projects

Erasmus+. What do we try to reach...?

TRAIN - TEACH

A.M.E.F.E.

 Erasmus+

A group of eight children's hands are raised against a white background. Each hand is decorated with vibrant, multi-colored paint. The designs include smiley faces, polka dots, and abstract patterns in various colors like red, yellow, green, blue, and orange. The hands are of different sizes, suggesting a group of children of varying ages.
